## Fundraising Committee Report for April 11, 2016

- 1) I have been in touch with Beth Rexford regarding two photos that are in the new Chamber Brochure to see if we could use the images for post cards. They are skating on the common scene and Pollards Mills/Sugar River photo. She was very happy to let us use them with photo credits on the back. I also was able to contact Venita Nudd regarding a beautiful fall foliage photo of the Corbin Bridge to see if she would let us use it. Like Beth, she is thrilled that we are interested in her work. I will pass these three photos on to Ann Stout for inclusion in the next VistaPrint reduced pricing offering. I just spoke with Jonathan Ryba about the two aerial photos and it appears that there is a possibility of using them.
- 2) I will be circulating a Farmers Market schedule to hopefully get some help with the Friday set-up over the course of the season.
- 3) We are preparing for the May 11 (Wednesday) Chamber “Business After Hours” from 5 to 7 pm. The enticement is to view the new displays, check out the new windows and donor plaques on the window sills and the newly renovated room on the third floor. We need to put together a basket of goodies for the drawing that night. We are hoping for good attendance. Lee Dufort and Angie Stephens are prepping the hors d’oeuvres again this year with Pris baking her wonderful desserts!
- 4) Ann Stout is working on a revised print of the Corbin Covered Bridge that we used for the new postcard. The goal is to size it to fit in a 16” x 20” frame that can be inexpensively purchased.

Respectfully submitted,
