Since our last meeting (4) visitors have signed the attendance book.

We have had (4) donations since the last meeting:

(3) Calendars from Newport businesses

Anne Kathan:

Virginia Irwin:

We made one purchase: a Landers-Fray-Clark #8 bread maker made in New Britain, Connecticut, patented in 1904. Paid \$32.00.

We had a visit from the 5th grade class from Towle Elementary School. They came in 4 groups and were very well behaved and seemed interested.

I have been getting quotes to have the building re-roofed.

Per the new Constitution, we can have up to 5 Museum Committee members, the Museum Director and the Society President.

I would like to nominate the following for the Museum Committee:

Dotty Collins

Christina O'Brien

Virginia Irwin

Rita James

(One position left vacant)

We need volunteers to assist the Museum Committee members and the Museum Director on Sunday when the Museum is open. Training will be provided.

Respectfully submitted,
Larry Cote, Museum Director
