

Newport Historical Society  
Museum Report of April 11, 2016

Since our last meeting (10) visitors have signed the attendance book.

Purchases: We made (2) purchases since the last meeting

We purchased a knob style quilt stand for the bedroom display \$20

We purchased a mustache poster for the Winter Carnival display \$14

We have had (5) donations since the last meeting:

Sally Eldredge – 9 items

Kevin Onnela – 1 item

Fred Anthony Zullo – 1 items

John C McCrillis – 1 item

Ellen & David Simmons – 93 items

We delivered a letter to Home Depot to see if they would donate or discount the cost of the shelving for the storage room. I have yet to hear from them. Jackie and I will stop in Tuesday to follow-up.

The security and low temperature alarm system is installed. Those with keys will be trained how to work it. It is very easy. The system will be monitored by Vermont Fire & Safety.

The Town of Newport is looking for a picture of the Elm tree on North Main Street past the Middle/High School on the left heading north that was cut down about 2008.

We need volunteers to assist the Museum Committee members and the Historical Society Executive Committee members on Sundays when the Museum is open. Training will be provided. We desperately need Docents, you will enjoy the experience.

Respectfully

Larry Cote, Museum Director
