

Report of the Museum Committee For November 14, 2016

We had (16) visitors sign the register for the month of September.

We made no purchases of artifacts since the last report:

Purchases of Museum supplies:

We purchased (36) of the 12" X 15" X 10" acid free general purpose storage boxes

We purchased (12) boxes of acid free sleeves @ \$12 each total \$144.

We had (1) individual donation of artifacts to the Museum in September:

We have received a large quantity of items from Harold Perkins: Genealogy, a large stamp collection, a large inventory of the Perkins family history.

We have received a \$500 targeted donation from the Rotary Club for the purpose of purchasing (5) additional wire framed storage racks for the annex. I will purchase them next week. Larry Cote has been invited to talk to them on December 14th.

Michael Hale cannot cap the cement wall block wall this year due to medical reasons but will do it in the spring.

We are still waiting for Vermont Life-Safety to add the smoke detector piece to the alarm system.

Rita James has started to organize the Marriage intensions in the vital records file cabinet.

The Cub Scouts will visit the Museum on a Tuesday evening date to be determined.

A "map" of the 3rd. floor Library inventory has been produced and hangs near the telephone in the office. After the new wire frame racks are purchased, assembled and populated we will produce a "map" of the annex.

We are always looking for new Docents, training will be provided. You will enjoy your time there and will learn a little more about your Town.

Respectfully

Larry Cote, Newport Historical Society Museum Director
