

Newport Historical Society
Fundraising Committee Report for November 9, 2015

- 1) I received the revised queen ornament proof from Joan last week. She replaced the grey background with an attractive blue. I emailed the three proofs to Pris who will design notes cards to sell along with the ornaments at the carnival.
- 2) Joan mailed the 100 ornaments of the queen on Thursday of last week. I may have them for this evening's meeting.
- 3) Larry dropped off the ornaments for the Gallery of Gifts before we left on vacation. The Gallery opened last Thursday and concludes the week before Christmas.
- 4) We completed our first Friday and Saturday at the bank with sales of \$82. I am very pleased with this number as the first week is always slow as people had not anticipated us being there. We had many lookers asking what our schedule was. This coming week we will only be at the bank on Friday. Saturday we will be at the Richards PTO Craft Fair from 9 to 3. Stan Sweeney has expressed a desire to do this event. It is nice to have him back. We will not be at the bank Thanksgiving weekend.
- 5) We have sold out of the beige Town tee shirts in the XL size. We still have plenty of medium and large.

Respectfully submitted,
Jacqueline Cote
Fundraising Committee
